HEAD OF INTERNATIONAL COOPERATION: *Olivier ROCHER* olivier.rocher@educagri.fr

“La Cazotte” is a public agricultural training institution, which opened in 1970 under the authority of the French department of Agriculture. It is located in Saint-Affrique (8000 inhabitants), in the Occitania region, in the south of the department of Aveyron, an area famous for its Roquefort cheese, the Millau viaduct, the UNESCO Templar Knights settlements on the Larzac and its regional natural park.

Our school is divided into 5 units:

The farming high school

- about 400 students aged 13 to 20
- 37 teachers
- 5 specialties (sheep breeding / horse breeding / horse riding / agronomic technologies / animal production)
- a 390-bed boarding school (one of the largest in the South of France)

LYCÉE
AGRICOLE

The training centre for adults

- 110 adult trainees
- 17 trainers
- 6 specialties (sheep breeding / horse breeding / horse riding / organic farming / market gardening / permaculture)

CFPPA

The apprenticeship centre

- 200 apprentices aged 15 to 29
- 11 trainers
- 6 specialties (general farming / horse care / landscaping / commerce / road transport / electricity)

CFA

“Pastoralia”

- an interactive discovery centre on sheep farming and the Roquefort sector

C3R
PASTORALIA

The farm

- educational and experimental farm
- 4,5 workers
- 140 ha (346 acres) + 100 ha (247 acres) for organic crops
- 600 Lacaune dairy ewes (Roquefort PDO)
- 2 organic flocks (80 Lacaune sheep for meat + 20 Aubrac heifers)
- 3 New Forest brood mares (about 20 horses in development)
- breaking-in workshop (30 young horses a year)

EXPLOITATION

Our school is open to the world and numerous school trips in France and abroad are organised each year. So please do not hesitate to get in touch with us if you'd like to make a visit or if interested in future cooperations.

See you soon!
